As discussed – here are the questions asked for the Berkeley event. If we can get the same questions asked that would be great.

Plus the POC and police arrest reports

ANTIFA/ANARCHISTS:

Numbers in crowd?

Number of arrests?

Any from outside of area?

Any group/movement affiliations?

Were all masked?

Were most wearing backpacks?

Description of flags/signs?

Evidence of pre-planning?

Describe weapons used?

What else confiscated?

Any property destruction?

Any repeat offenders from last Berkeley clashes?

Any attacks on media?

Any known meet-up points afterwards?

PRO-TRUMP:

#s in crowd?

Number of arrests?

Any from outside of area?

Any white supremacist or anti-government group affiliations?

Any notable tattoos?

Flags?

Any weapons used/confiscated?

Did persons come prepared for violence?

Any other notable confiscations?

Provoking antifa/anarchists?

Thank You
